## NOTICE OF ERRATA OF GAMEFLY, INC., TO MOTION FOR ACCESS BY PETER M. KIESEL TO NONPUBLIC LIBRARY REFERENCES (August 27, 2013)

GameFly, Inc. ("GameFly") hereby gives notice that it is simultaneously filing a revised version of its "Motion for Access by Peter M. Kiesel to Nonpublic Library References USPS-MC2013-57/NP1 and USPS-MC2013-57/NP3 Through –NP6," which GameFly filed earlier today. GameFly was advised by the Commission's staff that the motion needed to be refiled because Appendix A to the motion referred to the nonpublic material filed by the Postal Service under its original designation (library reference USPS-MC2013-57/NP2) instead of the revised designations submitted by the Postal

Service yesterday (library references USPS-MC2013-57/NP3 through –NP6). The revised motion, which GameFly has filed along with this notice, substitutes in Appendix A the new library reference numbers for the old.

Respectfully submitted,
